

Advance-Nilfisk Parts

Advance-Nilfisk Part - Think about how long and tiresome it would really be to clean-up after a party, without help from machines. Previously, the dirt from carpets and upholstery had to be beat out of them by hand; brooms, brushes and cleaning cloths were the top cleaning products at the time.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Founding the company in 1906, he started to produce motors in order to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the start was to own an international business selling products globally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and can be operated by one person. This invention came in a time where numerous cleaning equipment were very big and needed 4 or more operators, hence, the Nilfisk C1 changed everything and evolved the way we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning machines offer a brilliant solution to an existing dilemma; stuff get dirty and have to be cleaned frequently, without a lot of effort.

Gradually but steadily, Nilfisk-Advance expanded throughout the years. In the nineteen eighties, this expansion actually took place the time the business became a part of the NKT Group. Their new owners' determination and focus made Nilfisk-Advance take a huge leap ahead within the industry, aspiring to be amongst the biggest global players in the market of professional cleaning machines. Nilfisk-Advance is currently represented in all parts of the world by gradually obtaining numerous smaller businesses to be able to develop their product range and presence in new markets. They are proud to offer a range of cleaning solutions to meet every need.
