

## Concrete Hoppers

Concrete Hopper - This attachment is a self-dumping hopper that automatically starts to dump as bumper release contacts the side of a dumpster. After dumping is finished, the hopper goes back to a locked and upright position. This piece of machinery is likewise existing together with a cable which allows operation from the seat of the lift truck so as to have the choice of manually dumping the hopper. There is a locking chain provided so as to lock the hopper to the tine truck. This particular product is made with reliable and consistent robotic welds for utmost strength. The forklift dumping hopper even has a blue powder coat finish to maintain durability.
