

Fork Mounted Sweepers

Fork Mounted Sweepers - The lift truck mounted broom attachment can make industrial sweeping tasks a lot easier. Meant for use on either wet or dry surfaces, this mounted broom accessory could push snow and squeegee water without difficulty. This accessory is frequently utilized in order to clean debris from parking lots, warehouses, construction sites, docks and almost anyplace it is required. The forklift sweeper is a low maintenance attachment that uses quick-tite fork products to easily mount to the forklift.
