

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing new design concepts and top quality so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy providing products that energize both their dealers and their partners and offer production gains to their customers.

The TREK team of workers likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' requirements and skills combined with their understanding of cleaning applications, together with owners' strong desire to dramatically lessen expense through productivity gains.

The personnel at TREK and their dealer-partners are really committed to having both technical support and parts obtainable when it is required. Their high service devotion is one of the core values in their customer service. Keeping their clients' cleaning machines ready and functioning on a daily basis is top priority. The company's top of the line technology delivers reliable machinery that ultimately lowers your cleaning cost. The price, the service and the product all work as one to make them an industry leader.
