

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known within the industry as strong and durable machinery that satisfies all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could supply machinery, parts and warranty service for these kinds of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility supervisors where results and efficiency matter. Lately, this floor scrubber model has been utilized by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location because of the model's utmost performance level and high standard of quality for polishing concrete.
